APPOINTMENT LETTER

Subject: **Appointment of Business Development Manager to the Center of Applied Research and nano-Technology (Center of ART), Siddaganga Institute of Technology (SIT), Tumkur-3.**

Ref.: Interview held 01.10.2013 - Recommendations of the Search Committee

Dear Shri Subhranshu Sekhar Samal,

Greetings and congratulations!

We are pleased to offer you the appointment of **Business Development Manager** in the Center of ART, SIT, Tumkur-3. This is a fulltime research staff cum faculty position with evolving (10% to 30%) academic teaching after about a year or upon the commencement of M. Tech. degree program in Nanotechnology at SIT, whichever is sooner.

As a key member of the Center of ART's faculty and staff team, your major tasks in this role will include i) collaborating with the faculty and generating effective R&D proposals and reports, ii) initiating, coordinating, and conducting fund raising; iii) supporting the Executive Director in organizing meetings, courses, workshops, and conferences; iv) supporting the faculty in their academic or research programs and projects; v) supporting the development and maintenance of the Center of ART website, marketing materials, and media outreach; vi) writing letters, emails, and other communications to external stakeholders; and vii) interfacing with the college and university administrations and external community towards high quality branding of the Center of ART.

You will be required to support synergy in engineering research between the Center of ART and all the engineering departments at SIT as well as with all the Collaborators of the Center of ART. In addition, supporting Center's efforts in mentoring students, developing collaborative R&D with industries, and developing effective research and teaching programs in nanotechnology is also expected in this position. With impeccable integrity, you are expected to fully contribute to team driven and interdisciplinary R&D programs of international caliber in nanotechnology while supporting all the research and academic efforts of the Center of ART at SIT.

You will be on probation for one year and your starting gross salary will be Rs.70,000/month. This position reports to the Executive Director of the Center of ART. Your normal working hours will be from 8 am to 5 pm Monday through Friday, with four hours of professional development activities of faculty and students on Saturdays.

In addition, there will be up to 20% time on Center related work travel at odd hours. This is a fulltime, non-tenured appointment with all the benefits of regular faculty appointment and with provisions of renewal after two years and eventual tenure subject to sufficient research funding, your outstanding work performance, and you pursuing M. Tech. and PhD programs in a relevant engineering discipline.

Your benefits include:
Provident Fund and Mediclaim as per institute's norms.
Vacation – Four weeks per annum
Your Deductions/month:
Professional Tax of Rs.200=00
Income Tax as per rules

Your appointment will be governed by the rules and regulations, service conditions, and disciplinary matters of SSES in vogue and those which will come into force from time to time.

We would like you to commence work on 2nd December 2013 at 8:00 am. Please report to the Principal, SIT, Tumkur-3. If this date is not acceptable, please contact the Principal immediately.

Temporary housing is arranged in our Alumni Guest House. Once you arrive at our campus, please call the Principal for your accommodation. Institute will help you locate a good housing in the vicinity of the campus for you and your family. Alternately, you are welcome to visit SIT and Tumkur well ahead, check the choices of the houses available, and take one of them prior to reporting to work. Relocation package not exceeding Rs. 20,000 will be provided for moving your household goods to your new house at Tumkur.

Please sign the enclosed copy of this letter and email a scanned copy to the Principal by 31/10/13 to indicate your acceptance of this offer.

We are confident that you will be able to make a significant contribution to the success of our Center of ART as a national Center of Excellence in nanotechnology. This appointment will be effective from the date of reporting for duty.
