BUILD YOUR WORLD

Dear Sudrashan Jain,

You made me write this again!

I believe this letter will serve as a reminder of the immense impact that you have made, and continue to make, on the lives of those around you.

This year has been nothing short of a rollercoaster ride, but you have been there every step of the way, pushing forward the Placements at JECRC and motivating the entire fraternity to keep going no matter what. Before it's already Placements 2024, here I take this moment to express my profound gratitude on behalf of the Chairman of the JECRC Foundation, for the exceptional work you have done to support Placements 2023.

The success we have achieved this Placement Season is a reflection of your untiring commitment and tireless efforts. It is your allegiance that today, every student at JECRC got placed in their dream companies and are holding their dream offers.

As we wrap up another successful Placement Season, I thank you for your commitment to JECRC, its students and Team Training and Placement and dedicate your relentless efforts, a famous saying by **Swami Vivekanada**— ***"Arise, awake and stop not until the goal is reached"***. Believe me, your determination and perseverance embody this.

Here's to another successful placement season, filled with the same zeal that you have shown us all. Continue to inspire and motivate in the upcoming placement season.

I am confident that at the pace you are moving forward, you will make me write this letter again and again.

My Heartiest Regards,
Arpit Agrawal.
