Dear Akhil Vijay,

You have passionately worked on your position. Your active & determined efforts in this phase of placements have brought such an outstanding number of 1000+ selections in a small window of 44 days, this is unprecedented.

It was a great experience working with you all. We got a chance to work as a team and this teamwork has maximized the results. Your work is inspiring for the entire JECRC group.

Thank you for coming together as a team and making things possible! This was a well deserved start.

Opportunity is all around us & we are going to ensure placement of all remaining students in the upcoming phase - Phase two of placements.
