Dear Mr. Prakash,

It has been reported that on 20th January 2017, while you were performing screening duties during secondary ladder point checks being carried out on flight AI-014 (AMD-DEL), you detected the presence of one kitchen knife and one metallic measure tape from the hand baggage of passenger Ms. Hinalben Patl, BN 125 and Mr. Schech Maciej, BN 55 respectively.

I place on record my deep appreciation for the detection of prohibited items and image interpretation skill displayed by you while carrying out bonafide duties. Hope you will continue to perform with the same zeal in the best interest of the organization.

A copy of this letter is placed in your personal file.

With best wishes,
