LETTER OF APPRECIATION

Dear Sher Singh,

1. This letter of appreciation is being forwarded to place on record, gratitude and sincere commendation for efforts put in by you at this unit, during your tenure spanning over four years from 08 Feb 13 to 28 Mar 16. The kind of expertise and professionalism displayed by you in training young cadets of this unit deserves a loud applause.

2. As such, your absence is already being felt in each and every activity, specially so during the recently concluded Annual Traing Camp. Your dynamism and dedication to duty shall remain a model for all others, including cadets, to emulate in future.

3. I am sure you will continue the good work at your new appointment and bring out the best from all your trainees there. Wishing you all the very best.

With regards

V Ganesh
