INTERNSHIP OFFER LETTER

Date: 28/08/2025

Dear Sachin,

We are thrilled to offer you the position of QA Intern at YAL.ai! Your application and interview discussion impressed us with your Analytical and Communications skills. We believe you'll be an asset to our young and innovative team.

About YAL.ai:

YAL.ai is a tech startup founded by a passionate team of researchers specializing in AI and offensive security. Our mission is to eliminate the chaos caused by scammers on call and messaging platforms. Our flagship product, YAL.ai, is a revolutionary communication app that integrates cutting-edge on-device AI to safeguard users from telecommunication attacks, ensuring secure and scam-free digital interactions.

Internship Details:

- **Position:** QA Intern
- **Start Date:** 28/08/2025
- **End Date:** 27/11/2025 (3 months) {Could be extended as per the performance}
- **Schedule:** 10:00 AM to 7:00 PM ; 5 Days per week (Depending upon the team)
- **Stipend:** 15000 INR per month

Roles and Responsibilities:

- Create and execute comprehensive test plans for web and mobile applications
- Oversee manual and automated testing across Web, iOS, and Android
- Design and manage performance testing (load, stress, scalability)
- Collaborate with engineering, product, and business for optimal reliability
- Participate in agile ceremonies (standups, sprint planning, retrospectives)
- Ensure thorough API automation and backend validation
- Analyze requirements to derive clear, testable acceptance criteria
- Create, review, and maintain detailed test cases and documentation
- Use Jira (or similar) for test management and defect tracking
- Drive continuous process improvements and quality best practices

Benefits:

- Gain practical experience: Apply classroom knowledge to real-world projects and challenges.
- Develop professional skills: Enhance communication, teamwork, and time management abilities.
- Build a professional network: Connect with industry professionals and potential mentors.
- Explore career paths: Gain insights into the operations and marketing field.
- Enhance resume: Acquire hands-on experience to strengthen job applications.

● Potential for full-time employment: Demonstrate skills and fit within the company culture.
● Exposure to innovative technology: Work with cutting-edge AI-powered communication security solutions.

General:

● This is not an offer of employment with YAL.AI or any promise to give permanent opportunity With YAL.AI
● Interns must follow the confidentiality protocols as per the NDA signed by them at the time of joining.
