APPRECIATION

Dear Sergeant

1. It gives me immense pleasure to inform you that you have been appreciated by the team of scientists with whom you participated in a project.

2. You have displayed a high sense of responsibility, exemplary initiative and professionalism while being dedicatedly involved the above said project. You have been instrumental in assisting the team during ground checks and integration checks in order to achieve the task. Your expertise in post flight FDR analysis has been a great force multiplier during conduct of the trials of the project.

3. You have shown immense maturity in handling prolonged stress and delivered in time without compromising on quality or safety.

4. For your dedicated professionalism, involvement and devotion, I as your Commanding Officer, on behalf of the organization extend appreciation. Keep up the good show.

With warm regards

Yours Sincerely

Amidha
