EXPERIENCE LETTER

Date: Sep 10, 2025

To Whom It May Concern,

This is to certify that **Mr. Ujjawal Kumar Jha** has been working with **Iwayplus** as a **Software Developer** since Jan 2024 and continues to be an integral part of our organization.

During his tenure with us, Ujjawal has consistently proven himself to be one of the **fastest learners and most efficient programmers** in our team. His ability to quickly grasp new technologies, write clean and optimized code, and deliver results on time has greatly contributed to our projects' success.

He has played a key role in the **development and deployment of the Iwayplus website**, ensuring scalability, smooth user experience, and reliable performance. Additionally, he has been actively involved in the technical development and support for the **Empower Conference**, where his problem-solving mindset and ability to work independently were highly appreciated.

Ujjawal has strong expertise in **React.js, JavaScript, SQL, and MongoDB**, and he has effectively applied these technologies to build responsive web applications, optimize databases, and create seamless user experiences.

His professionalism, technical skills, and dedication make him a valuable asset to our organization. We are confident he will continue to excel and contribute to the growth of any project or team he works with.

Sincerely,

For IWAYPLUS Private Limited
