Blockchain Workshop Proposal

Prepared for: **ESTEEMED LEADERSHIP OF ARYA GROUP OF COLLEGE**

Dear Sir ,

I hope this letter finds you well. I am writing to formally request the opportunity to conduct a workshop at **ARYA COLLEGE OF ENGINEERING & IT** . I believe that this workshop will be valuable for the students to improve their curriculum skills and beneficial for the placements.

This workshop is intended to provide opportunities for faculty, researchers and students to upgrade their knowledge in the area of Blockchain Technologies. Considering the growing importance of Blockchain Technologies and its potential in different sectors, this three day workshop is planned and sessions would be delivered by experts from academia and industry.

We are excited to submit this proposal for implementing block chain workshop to improve Web3 World/Decentralization concept among students of Technology and Finance at **ARYA COLLEGE OF ENGINEERING & IT .**

We believe your organization would significantly benefit from adopting this groundbreaking technology. Specifically, block chain offers us an opportunity to gain core concept of block chain Industry where student easily come to know about **Digital Ledgers/AI/RWA/Game Fi/Social Fi/DeFi /DeSci/DePin/NFT/Metaverse Etc.**

As part of this proposal, we have outlined a plan for developing a customized block chain workshop for all students related to computer Science & finance where they can learn core concept of Block chain Industry.

Recently Indian Government issued some NFT Train ticket for “KUMBHA MELA” on polygon block chain and issued stable coins pagged by INR .We are excited to leverage our background in emerging technologies to innovate your organization and processes through block chain.

Thank you for your consideration. We look forward to a fruitful engagement.
