Respected Sir,

Thank you very much for your kind response. I am truly honoured by your consideration and deeply appreciate the opportunity to be associated with Rani Rashmoni Green University.

I understand the current administrative limitations, and I would be glad to extend my academic support in the capacity of a resource person. I look forward to contributing meaningfully towards the university's academic initiatives and excellence.

Please do keep me informed regarding any further developments. I shall remain available for any clarification or process that may be required from my end.

Thanking you once again for your kind words and encouragement.

With sincere regards,
Soumen Mondal
