Naveen Roy

Senior Administration & Security Specialist, Special Forces IAF

9518965729 | thenaveenmroy@gmail.com | Dwarka, New Delhi 110078

Profile

Special Forces security professional with 20 years of distinguished service in the Indian Air Force as a Security specialist. Served as a Flight Commander, led a unit of specialised security personnel responsible for the protection of critical and high-value Air Force assets and installations across various strategic locations in India.

As a Sr. security specialist, I was responsible for threat assessment, security & access control management, perimeter security, X-ray and baggage scanning operations, CCTV monitoring, and routine patrolling to ensure airtight security protocols.

Additionally, played a key leadership role in training and supervising security teams, developing and updating Standard Operating Procedures (SOPs), and implementing best practices to strengthen operational readiness and overall security posture.

Experience

SR. SECURITY SPECIALIST / FLIGHT COMMANDER – SPECIAL FORCES, IAF
JUNE 2005 – PRESENT
MULTIPLE STRATEGIC LOCATIONS ACROSS INDIA

- Played a key role in **VIP security coordination** during high-profile Air Force visits and state events.
- Planned and executed multi-layered security operations, including access control, perimeter surveillance, and threat response protocols.
- Successfully secured air bases and defense assets during high-alert operations without a single security lapse.
- Recognized for excellence in leadership, operational planning, and team coordination in high-pressure environments.
- Led multiple **joint exercises and readiness drills** to simulate and respond to real-time threat scenarios and improved base response time.
- Trained over **300 security personnel** across postings, significantly improving force discipline, readiness, and threat response efficiency.
- Committed to Operational Excellence, consistently ensuring zero security breaches under command.

Special Assignments & Joint Operations

- **Aero India – Security Protection & Patrolling (Bangalore 2011, 2015, 2017 & 2023):**
  Deployed for high-level security operations during Aero India, Asia's premier aerospace and defence exhibition. Conducted close perimeter patrolling, surveillance coordination, and threat monitoring to secure critical assets, VIPs, and public zones in a multi-agency environment.

- **Annual Tri-Services Special Forces Exercises (India):**
  Engaged in annual joint exercises involving the Indian Army, Navy, and Air Force Special Forces. Focused on enhancing inter-service coordination, rapid threat response, and integrated operational planning for critical missions and installations.
