CAREER OBJECTIVE

Highly organized and dedicated to making the best of new learning experiences. I have experience in Library and Information Science. Passionate about improving taxonomical structures, metadata, controlled vocabularies, facets, attribution, as well as the processes to meet end-user needs. Hard-working with a comprehensive background in Library and Information Science.

ACADEMIC BACKGROUND

2023-2025: Master of Library and Information Science (MLISc)
Tata Institute of SocialSciences, Mumbai. (Pass Percentage: 5.8 CGPA, 2nd Division)

2019-2022: B.A. in Humanities
Nagarjun Training Institute Nagloka, Nagpur
Rashtra Sant Tukdoji Maharaj Nagpur University, Nagpur (Pass Percentage: 73.6 CGPA)

DISSERTATION/RESEARCH PROJECT

Bridging Expectations and Experiences: A SERVQUAL Analysis of TISS Library Services.
Supervisor: Dr. Anand Dodamani
Head of SDTML Library,
Tata Institute of Social Sciences, Mumbai.

INTERNSHIP

April 06- May 06, 2024: Indian Institute of Technology Bombay (IIT-B), Mumbai.

As an intern, I gained valuable experience in cataloguing books and developing special collections. I also assisted in the interlibrary loan process, helping to facilitate access to a wider range of resources for library patrons. By improving the accuracy and accessibility of catalogued materials, I contributedto a more efficient and user-friendly library experience. Through my work on special collections, I learned to identify and preserve unique and valuable materials, increasing the library's capacity to support research and academic inquiry. Overall, my internship allowed me to develop skills in research, organization, and collaboration that will serve me well in future roles in the field.
