PERSONAL DETAILS:

- ✔ GENDER : MALE
- ✔ MARITAL STATUS : MARRIED
- ✔ NATIONALITY : INDIAN
- ✔ DATE OF BIRTH : 31/10/1987

ACADEMIC QUALIFICATION:

- ✓ Ph.D. in Mechanical Engineering at Gujarat Technological University, Ahmedabad. (Title: Experimental Analysis, Mathematical Modelling and Drying Kinetics of Jamun (*Indian Blackberry*) slices using Convective Drying Method) in January, 2026.

SR NO	EXAMINATION	SCHOOL/ COLLEGE	AFFILIATED BOARD/ UNIVERSITY	YEAR OF PASSING	%/ CPI

KEY ROLES AT WORKPLACE:

- ✔ Departmental Timetable Co-ordinator and NBA Process member **at Parul Institute of Engineering & Technology (Diploma Studies**).
- ✔ Departmental Academic & Exam Section Incharge, Departmental ISO activities, Departmental NBA Co-ordinator (Oct' 2014 to Dec'2018), Departmental IQAC & NAAC team member, Departmental Expert Lecture arrangement Co-ordinator, Co-coordinator of GTU Sponsored and ISTE Approved Faculty Development Programme **at A.D. Patel Institute of Technology.**

PROFESSIONAL MEMBERSHIP

1) ISTE Lifetime Membership - LM111328
2) IAENG Lifetime Membership - 268765

ACHIEVEMENTS:

1) Reviewed a research manuscript for the **Journal of Thermal Engineering (Indexed in Scopus and Web of Science, Category; Q3).**
2) Recognized in the List of Colleges for Research Aid for Faculty for the years 2023–24 and 2024–25 (International Level Publication) by KCG (Knowledge Consortium of Gujarat), Ahmedabad.
3) Received an Academic Excellence Award, in Recognition of Valuable Research Contributions and Dedication to Academic Excellence by CVM University on 25th September, 2025.
4) Received financial support for paper presentation in the International Conference at the 10th International and 50th National Conference on Fluid Mechanics and Fluid Power (FMFP) organized by IIT Jodhpur during December 20-22, 2023 from Research and Development Cell, CVMU.
5) Invited as the Jury Member at TECHEXPO 2024 - a project exhibition cum competition for all Engineering, Applied Sciences, Computer Application and Agriculture students organized by Parul University, Vadodara on 7th February 2024.
6) Serving as a Reviewer in International Journal of Innovative Research in Technology (IJIRT).

7) Serving as a Reviewer in International Journal for Development of Science and Technology (IJDST).

8) Serving as an Editorial Board Member in Journal of Academic Trends & Innovative Research (JATIR).

EXPERT LECTURE /WEBINAR DELIVERED:

1) An expert lecture on "Basics of Automobile Vehicle Air Conditioning" for the Automobile Engineering students at Sigma Institute of Engineering (Polytechnic), Vadodara on 11th April 2023.

2) A webinar on "Vehicle Safety Systems" for the Automobile Engineering students at Parul Institute of Engineering & Technology (Diploma Studies), Vadodara on 25th January 2022.

3) A webinar on “Role of Engineers in Road Safety” for the Automobile Engineering students at Sigma Institute of Engineering (Polytechnic), Vadodara on 12th May 2021.

STTP/FDP ATTENDED:

1) Online 5-Day Faculty Development Program on “Creative Thinking, Leadership and Pedagogical Practices" organized by the Department of Heat Transfer Engineering, Saveetha Institute of Medical and Technical Sciences (SIMATS), Saveetha School of Engineering Chennai. TamilNadu, India Solapur during 12th to 16th February, 2024.

2) Completed Coursera course on “The Power of Team Culture” authorized by University of Pennsylvania on 15th February, 2023.

3) Completed Coursera course on “Successful Presentation” authorized by University of Colorado Boulder on 19th October, 2022.

4) Completed Coursera course on “Solar Energy Systems Overview” authorized by University at Buffalo on 5th September, 2022

5) Completed Coursera course on “Electric Vehicles and Mobility” authorized by Ecole des Ponts ParisTech on 29th June, 2022

6) Completed Coursera course on “Introduction to Thermodynamics: Transferring Energy from Here to There” authorized by University of Michigan on 26th March, 2022

7) Online FDP on “Biofuel Prospects & Challenges” organized by Department of Mechanical Engineering, Brahmdevdada Polytechnic Solapur during 24th to 25th March, 2022.

8) Online ATAL FDP on “Electric Charging Stations for Vehicles” organized by Government Engineering College, Thrissur during 21st to 25th February, 2022.

9) AICTE-ISTE approved Orientation/Refresher Program on “Automobile Engineering: Past, Present & Future” A. D. Patel Institute of Technology, New Vallabh Vidyanagar, Anand during 21st to 28th December, 2021.

10) Online ATAL FDP on “Introduction to Electric Vehicles, Challenges & Opportunities in Future” organized by Oriental Institute of Science & Technology during 20th to 24th September, 2021.

11) Online ATAL FDP on “Desalination by using Green Technology” organized by National Institute of Foundry and Forge Technology College during 9th to 13th August, 2021.

12) Online STTP sponsored by AICTE under AQIS 2019-20 on “Applied Computational Fluid Dynamics for Automotive, Space and Defence Sector” organized by Mechanical Engineering Department, A. D. Patel Institute of Technology, New Vallabh Vidyanagar, Anand during 1st to 5th March, 2021.

13) Online ATAL FDP on “Sustainability Engineering” organized by Canara Engineering College during 22nd to 26th February, 2020.

14) Online ATAL FDP on “Alternate Fuels” organized by A. D. Patel Institute of Technology, New Vallabh Vidyanagar, Anand during 8th to 12th February, 2021.

15) Online STTP sponsored by AICTE under AQIS 2019-20 on “Applied Computational Fluid Dynamics for Renewable Energy and Hydraulic Machines Sector” organized by Mechanical Engineering Department, A. D. Patel Institute of Technology, New Vallabh Vidyanagar, Anand during 1st to 5th February, 2021.

16) Online GUJCOST sponsored STTP on “Advances in Waste Management Systems” organized by Mechanical Engineering Department, Anand during 2nd to 6th November, 2020.

17) Online ATAL FDP on “FEM/CFD” organized by Laxmi Narain College of Technology during 14th to 18th October, 2020.

18) Online GUJCOST sponsored STTP on “Automotive Engine, Emission & Green Fuel Technology” organized by A. D. Patel Institute of Technology, New Vallabh Vidyanagar, Anand during 12th to 17th October, 2020.

19) Online GUJCOST sponsored STTP on “Automobile Engineering: Beginning of New Era” organized by A. D. Patel Institute of Technology, New Vallabh Vidyanagar, Anand during 5th to 10th October, 2020.

20) Online ATAL FDP on “Green Technology & Sustainability Engineering” organized by A. D. Patel Institute of Technology, New Vallabh Vidyanagar, Anand during 21st to 25th September, 2020.

21) Twelve Weeks NPTEL Online Certified Course on “Engineering Metrology” during July-December, 2019.

22) Two Week Faculty Development Program on “Entrepreneurship” organized by A.D. Patel Institute of Technology, New Vallabh Vidyanagar, Anand during 10th to 22nd December, 2018.

23) Interactive Value Added One Week Program on “Enhancing Verbal Communication of Faculty” organized by Applied Science & Humanities Department at A.D. Patel Institute of Technology, New Vallabh Vidyanagar, Anand during 18th to 23rd June, 2018.

24) Training program on “Introduction to Programming Kits and Measuring Instruments” jointly organized by ISTE faculty chapter, ADIT and A. D. Patel Institute of Technology, New Vallabh Vidyanagar, Anand during 5th to 20th December, 2017.

25) One-week short term course on “Advances in Fluid Flow Control and Measurement Techniques” organized by Mechanical & Industrial Engineering Department, IIT Roorkee during 5th to 9th December, 2016.

26) One-week short term training program on “Advances Recent Trends in Mechanical Engineering” organized by Mechanical Engineering Department, Vadodara Institute of Engineering, Kotambi, Vadodara during 23rd to 28th May, 2016.

27) A short-term training program on “Computer Aided Design using SOLIDWORKS” approved by GTU & ISTE at Department of Mechanical Engineering, Darshan Institute of Engineering & Technology, Rajkot during 23rd to 27th November, 2015.

28) The short-term course on “Recent Advances in Utilization of Hydrogen in Internal Combustion Engines” organized by IIT Delhi, New Delhi under the sponsorship of QIP, AICTE, Government of India during 7th to 11th July, 2014.

29) The short-term training program titled "Content Management System; Basic Engineering Drawing (Diploma Engineering)" (Code No. DME: 22/12-13) organized at NITTTR Extension Centre, Ahmedabad from 30th July to 1st August, 2012.

WORKSHOP/SEMINAR/CONFERENCE ATTENDED:

1) Webinar on "Basics of Energy Auditing and Career Opportunities for Young Engineers" organized under ISHRAE Surat Chapter on 26th June, 2021.

2) Webinar on "Basics of Energy simulation" organized by ISHRAE Surat Chapter on 15th May, 2021.

3) 5 hours online course on "Basics of Disaster Risk Management" offered by Gujarat Institute of Disaster Management (GIDM) on 13th January, 2021.

4) One day national seminar on "Recent Advances in Welding Technology" supported by Gujarat Council on Science & Technology (GUJCOST), Gandhinagar at Vadodara Institute of Engineering, Kotambi, Vadodara on 5th October, 2019.

5) Two days KIA workshop on "Domain Knowledge" at H.M. Patel Career Development Centre, Anand during 19thto 20th June, 2019.

6) One day workshop on "Importance of Measuring Instruments in Industries" organized by Mechanical Engineering Department & ISTE-ADIT Chapter at A.D. Patel Institute of Technology, New Vallabh Vidyanagar, Anand on 4th April, 2019.

7) National Conference on "Recent Research & Development in Core Disciplines of Engineering" organized by Vadodara Institute of Engineering, Kotambi, Vadodara on 2nd April, 2019.

8) KIA workshop on "Team Creativity" at H.M. Patel Career Development Centre, Anand on 25th October 2018.

9) GUJCOST-DST sponsored three days workshop on "Computational Fluid Dynamics" organized by Mechanical Engineering Department, A.D. Patel Institute of Technology, New Vallabh Vidyanagar, Anand during 24th to 26th October, 2018.

10) Workshop organized as a part of "World Habitat Day Celebration" under the theme of Municipal Solid Waste Management at A.D. Patel Institute of Technology, New Vallabh Vidyanagar, Anand on 5thOctober, 2018.

11) KIA workshop on "Skill for Student Parenting" at H.M. Patel Career Development Centre, Anand on 27th September 2018.

12) Brainstorming Session on "How to set a good Question Paper?" organized by A.D. Patel Institute of Technology, New Vallabh Vidyanagar, Anand on 29th June, 2018.

13) Brainstorming Session "How to identify Real life technical Problem?" organized by A.D. Patel Institute of Technology, New Vallabh Vidyanagar, Anand on 27th June, 2018.

14) Brainstorming Session on "How to write Research Proposal?" organized by A.D. Patel Institute of Technology, New Vallabh Vidyanagar, Anand on 25th June, 2018.

15) Two days Workshop on "FEA of structure and thermal problems using FEASTSMT software developed by VSSC/ISRO" organized by Mechanical Engineering Department at A.D. Patel Institute of Technology, New Vallabh Vidyanagar, Anand on 12th& 13th June,2018.

16) One day state level Workshop on "Recent Trends in Energy Conservation and Management" sponsored by Institution of Engineers (India) in association with Petroleum Conservation Research Association (PCRA) and Enlec Solutions at A. D. Patel Institute of Technology, New Vallabh Vidyanagar, Anand on 23rd January, 2018.

17) National Conference on "Engineering Innovations for Social and Environmental Development", jointly organized by ISTE Gujarat Section and A. D. Patel Institute of Technology, New Vallabh Vidyanagar, Anand on 30th December, 2017.

18) One day Faculty Development Program on "Design Engineering" organized by A. D. Patel Institute of Technology, New Vallabh Vidyanagar, Anand on 15thJuly, 2017.

19) Three days Workshop on "Computational Fluid Dynamics" organized by A.D. Patel Institute of Technology, New Vallabh Vidhyanagar, Anand during 22nd to 24th February, 2016.

20) One day state level seminar on "Tribology" organized by SAL Institute of Technology & Research, Ahmedabad on 6th February, 2016.

21) One day seminar on "Author Workshop" organized by Gujarat Technological University, Chandkheda, Ahmedabad collaboration with Springer on 30th October, 2015.

22) One day Faculty Development Program on "Design Engineering" organized by Electronics & Communication Engineering Department, A.D. Patel Institute of Technology, New Vallabh Vidhyanagar, Anand on 11th April, 2015.

23) "Faculty Development Program" of new curriculum for degree engineering program at Gujarat Technological University, Chandkheda, Ahmedabad on 22nd September, 2013.

24) Two days workshop on "Patenting in Engineering" organized by Gujarat Technological University, Ahmedabad at Parul Institute of Engineering & Technology, Baroda on 21st&22nd January,2012.

25) One day workshop on "Mastercam X5" organized by Roshani Cad Centre on 16th December, 2011

EVENT ORGANIZED AT ADIT:

1) Webinar on "Basics & Future of Cryptocurrency" organized under Netaji House, A. D. Patel Institute of Technology, New Vallabh Vidyanagar on 11/09/2021.

2) Gaming Tournament on "5V5 Valorant Tournament" organized under Netaji House, A. D. Patel Institute of Technology, New Vallabh Vidyanagar on 10/07/2021.

3) Technical Elocution Competition on "Electric Vehicles" organized by Automobile Engineering Department, A. D. Patel Institute of Technology, New Vallabh Vidyanagar on 08/06/2021.

4) Webinar on "Relevance of DFMA in Automotive Industry" delivered by Mr. Meet Bhatt, Deputy Manager, Hero MotoCorp Ltd., Vadodara for the students of Automobile & Mechanical Engineering Department on 11/04/2021.

5) Elocution Competition on "Science, Technology and Innovations" organized under Netaji House, A. D. Patel Institute of Technology, New Vallabh Vidyanagar on 27/02/2021.

6) Webinar on “So do you want to be a hacker?”, organized under Netaji House, A. D. Patel Institute of Technology, New Vallabh Vidyanagar on 06/02/2021.

7) Webinar on “Product Development in Automotive Industry” delivered by Mr. Ashish Pal, Asst. Manager (CME), Mahindra & Mahindra Ltd., Pune for the students of Automobile & Mechanical Engineering Department on 26/09/2020.

8) Webinar on “Basic of BS-VI: Working & Requirements” delivered by Mr. Akash Patel, PT & E Engineer, Escorts Ltd. on 31/02/2020.

9) Expert Talk on “Career Opportunities for Higher Studies at Germany” delivered by Mr. Adil Rana, Master in Renewable Energy & Energy Efficiency, University of Kassel, Germany for final year students of Automobile Engineering Department at Room No. 302 on 03/01/2020.

10) GTU Sponsored and ISTE Approved Faculty Development Programme on “Recent Trends in Automobile Engineering” during February 4 – 9, 2019.

11) Webinar on “Manufacturing 4.0 Workshop with next Generation PLM” Faculty of Mechanical, & Automobile Engineering Department at Room No. 141 on 12/12/2018.

12) Expert Talk on “Latest Developments at Auto Majors Internationally and importance of Software Knowledge in Automotive Technology” delivered by Ravi Patel, Development Engineer, Paragon AG, Munich (Germany) for third & final year students of Automobile Engineering Department at Mechanical Conference Hall at ADIT on 28/08/2018.

13) Technical Presentation Program on "Innovative thoughts in automobile sector" for third year students of Automobile Engineering Department at Workshop Automobile Laboratory Room No.103 on 03/02/2018.

14) One Day Workshop on "Modeling and analysis using Creo Paramatric 4.0" delivered by Mr. Nirav Sharma, Krishna Cad Centre for third year students of Automobile Engineering Department at Workshop CFD Laboratory Room No.211 on 25/01/2018.

15) Expert Talk on "Prospects & Recent developments of Fuel Cell Technology" delivered by Pinakin Patel, Director Research, M/s Fuel Cell Energy Inc., USA for third & final year students of Mechanical, Automobile & Electrical Engineering Department at ADIT Auditorium on 08/01/2018.

16) Webinar on "ANSYS India on High Performance Computing" for Faculty of Mechanical, Automobile & Electrical Engineering Department at Room No. 141 on 08/12/2015.

17) Expert Talk on "Hybrid Vehicles" delivered by Mr. Nityam Oza, Assistant Professor, Mechanical Engg. Dept., Parul Institute of Engg. & Tech., Limda, Vadodara for third & final year students of Automobile Engineering Department at Room No. 141 on 06/10/2015.

18) Webinar on "Roles of Competition Law in Business Practices and Decisions" for third year students of Automobile Engineering Department at Room No. 141 on 15/09/2015.

19) Expert Talk on "Latest developments in IC Engines for compliance of upcoming Emission Standards" delivered by Dr. S.S. Thipse, Dy. Director, ARAI, Pune for faculty members, third & final year students of Mechanical & Automobile Engineering Department of GECT, BVM & ADIT at ADIT Auditorium on 27/08/2015.

20) Expert Talk on "Material Handling Equipments in Port Sector, Case study" delivered by Mr. Vishal Langalia, Project Planning Department, Anupam-MHI Industries - Anand for third year students of Automobile Engineering Department in Room No. 302 on 16/04/2015.

COMPUTER LITERACY:

- ✔ MS office (Excel, Word and PowerPoint)

LIST OF COURSES THAT I WOULD LIKE TO TEACH:

- ✔ Elements of Mechanical Engineering
- ✔ Engineering Graphics
- ✔ Fluid Mechanics
- ✔ Engineering Thermodynamics
- ✔ Refrigeration and Air Conditioning
- ✔ Basics of Automotive Systems
- ✔ Mechanical Measurements and Metrology
- ✔ Automotive Systems
- ✔ I. C. Engine

I declare the above mentioned information are true as per my knowledge.
